Harris, and carried by voice vote with all voting in favor and none opposed.

**Citizens scheduled to appear:**

1. Anthony Gerke – Mr. Gerke addressed the Board about concerns he had regarding his well, water level, and the Fall Line Club water and sewage. Mr. Bert Guy was in attendance to represent Fall Line Club. Mr. Gerke stated that he moved to his home in Mauk in 2017, had a 170’ well dug, however during the drought his water level was below his pump. Commissioner Nelson stated that in communities all over in farming, irrigation is always used, water tables always refill. Mr. Guy stated that the amount of research that went into the planning, the water table studies, the land area, they received their water permits from the state. The golf course monitors the water table and gives data that the water levels recover in 2 hours. Mr. Guy addressed the community concerns over the sewage. It is a treatment plant that is a drip release, not a sprayed system. It will drip through 170 feet of pure sand that will purify it above the aquifers. He assured Mr. Gerke that they will be good neighbors and they left the room to discuss further the concerns further as this is a neighborly issue between land-owners and not a county issue.

## **Reports:**

Amber Swann, Planning and Zoning – Ms. Swann brought 2 conditional use applications before the board, the first one was deferred by the Planning and zoning board, which is located at 223 JW Miller Rd. The second was Purdue farms mobile chicken farms. Steven Jones, lawyer representing Purdue, spoke with the Board regarding the mobile chicken houses, what it entails, how it affects the land, the one currently located on Ed Davis Rd is very successful, the operator was available to answer any questions that the Commissioners had. The lawyer addressed the concerns about the land buffer from chicken houses and surrounding homes. Which they are purchasing the closest home so it will not be a factor. See the attached presentation for further details. Commissioner Peacock made a motion to approve the conditional use application for Purdue farms for the mobile chicken houses on William Woodall Rd in Mauk. Seconded by Commissioner T. Harris and carried with a voice vote of all in favor, none opposed.

Abb Preston, Taylor County EMS – Mr. Preston reported that during the month of June there were 147 calls with 84 transports. Garrett Bosely, Project Manager – Mr. Bosely shared with the Board 4 things. First, approving the bids for LMIG, Robinson Paving was the only company that bid, Commissioner Nelson made a motion to approve the Robinson Paving bid, seconded by Commissioner Peacock, carried with a voice vote of all in favor, none opposed. The second item is utilizing an online mapping system – GIS in partnership with RVRC this will be placed on our website and will be able to pinpoint issues better. Commissioner T. Harris made a motion to approve the GIS software fee of \$2500, seconded by Commissioner Nelson, carried with a voice vote of all in favor, none opposed. The Third item is setting up an auction for some equipment at Roads and Bridges that need to be disposed of, these are working items, just no longer have a need to keep them. Commissioner Nelson asked if there will be a set reserve just in case we don’t get good bids on an item. Mr. Bosely stated yes, this will be a silent auction and all items will

have a set reserve price. The auction will happen late August and will be placed on the website, and will take place at the Roads and Bridges department.

The fourth item, we have received a proposal from Perry Brothers for our gas provider and will be a contract, currently what we are doing is ordering when low, but this contract will include tank monitoring, they will provide equipment and maintenance, guaranteed supply, we just need to sign a contract. The commissioners asked about the length of the contract and initial pricing. Mr. Bosely will get the information and report back on the requested information.
